Email Address - farukpamilerin@gmail.com

WORK EXPERIENCE

Software Developer Intern

January 2019 - December 2021

Alusoft Technologies Limited – Akobo, Ibadan

- Collaborated with senior developers to implement software solutions, resulting in increased application performance and user satisfaction.
- Contributed to the successful deployment and maintenance of software applications, ensuring seamless user experience and increased operational efficiency.
- Identified and fixed 15 software bugs, resulting in decrease in customer complaints and improved product reliability.

Studio Manager Intern

February 2023 - August 2024

Agidigbo 88.7fm - Rainbow Bus Stop Ibadan

- Improved studio organization and efficiency through implementing new scheduling and workflow processes, resulting in smoother operations and increased Client satisfaction.
- Managed a team of 5 interns, coordinating schedules and tasks to ensure smooth operation of the studio, leading to increase in productivity and staff morale.
- Improved studio operations through effective collaboration with team members, resulting in increased productivity and efficiency.

- Assisting in editing and post-production tasks, such as audio mixing and mastering.

Front-End Developer

September 2024

Skyscanner – Forage

- Completed a job simulation where I built a web application using React as a front-end engineer at Skyscanner.
- Developed a page for picking a travel date using Skyscanner's open-source Backpack React library.
- Customized my application and ran automated tests to ensure it rendered properly.
